# SOUTH JERSEY'S DEMOCRATIC TEAM

## Standing up for South Jersey's families, seniors and veterans.

### **State Senator Fred Madden**

**A law enforcement leader fighting to protect and create jobs.**

Fred spent his career protecting our families, rising through the ranks to become the acting superintendent of the State Police. In the State Senate, he led efforts to pass the largest small business tax cut in state history that helped rebuild our economy and create jobs. He has helped unemployed New Jerseyans get back to work faster and championed the needs of our veterans.

### **Assemblyman Paul Moriarty**

**A former investigative journalist working to reform state government.**

As a journalist, Paul built a reputation for uncovering consumer fraud, helping safeguard our families. In the State Assembly, he has championed reform by sponsoring legislation to make government more transparent and accountable. He has worked to protect consumers' personal data and pushed to require police officers wear body cameras while on patrol.

### **Assemblywoman Gabriela Mosquera**

**A powerful advocate for women and children.**

Forced to spend time in a domestic violence shelter as a child, Gabriela used her life experiences to become an effective and compassionate advocate for families. She authored legislation to keep guns out of the hands of domestic abusers, championed the Taxpayers' Bill of Rights so no family is taken advantage of, and has fought to increase funding for our schools.
